

J-Camp Buddy Request

Please complete your information and the information of your child's buddy request.
Once both families have registered for J-Camp, please submit this form to youth@palaltojcc.org

We know how important camp friends are and we are happy to accommodate friend requests to the best of our ability. In order to request that your child be in the same group as their friends we ask that you fill out the buddy request form and email it to youth@palaltojcc.org as soon as possible after registering, but no later than May 15, 2023. Please list up to 4 friends that you would like your child to be in a camp group with. While we cannot guarantee all buddy requests, we will do everything we can to accommodate your buddies listed on the form.
